

Lightning Soccer Club Spring 2019 Advantage Clinic

Hi Parents & Players,

Welcome to Lightning Soccer Club's Spring 2019 Advantage Clinic!

Our Spring 2019 Advantage Clinic will begin on Monday, April 22 at 4:30 pm. The clinic will run on every Monday and Thursday for five weeks. All sessions will take place at Huntley Meadows from 4:30 pm to 5:45 pm.

- Mondays & Thursdays
- April 22 – May 23
- 4:30 pm – 5:45 pm
- Huntley Meadows (111 Turnpike Road, Norwich, VT)

Arrival on the 1st Day: When you are standing in the parking lot at Huntley Meadows facing toward the fields, our area is the farthest to your left. Look for our registration table on the 1st day. Please plan to arrive 10 to 15 minutes early on the 1st day for check-in, to review the emergency contact information that you have provided for us, and to receive your player's Advantage Kit if you ordered one. At that time, you may also communicate any special instructions about your player that you feel we should know. The session will begin at 4:30 pm sharp with a brief hello and introductions from the Advantage Clinic staff.

Arrival After the 1st Day: After the 1st day, please plan to arrive 5 to 10 minutes early to each session to make sure that you have time to get your player's cleats on and get him/her to the field on time.

Parking, Dropping Off & Picking Up: Due to limited parking space, we strongly encourage families to carpool or walk to the fields if they live nearby. Please be extremely careful and slow when driving in and out of Huntley's parking lot, as there will be a lot of small children in the area. After the 1st day, you may send your player down to the field alone, but please be sure to watch until he/she has made it to our area and checked in with one of our coaches. When you pick your player up, you may signal to him/her to come to your car from the hillside. We will hold players at the field until they see you at the top of the hill or until you come down to get them.

Parent Role: You are welcome to stay and watch the sessions, but please stay at least 15 to 20 yards away from the field so that your player won't be tempted to keep running over to

you throughout the session. Please encourage your player to listen to and connect with our coaches and the other players on the field. Also, please do not yell instructions or cheer from the sidelines. We want players to feel free to take risks and to try new things!

What to Wear:

- Advantage Kit (gray training top, black shorts, and black socks)
- Shin guards and cleats
- *Hair should be tied back!*

What to Bring:

- Water bottle
- Light sweatshirt or jacket
- Backpack for player's items
- Do NOT bring a soccer ball (balls will be provided)
- *Please label all items!*

Weather Cancellations & Rain Dates: If the forecast calls for inclement weather, we will cancel the session by 2:00 pm that day and we will notify you via email. We will also post the cancellation to our website. If one session of the Advantage Clinic is cancelled due to weather, there will be no makeup session. If two or more sessions are cancelled, we will only make up one session on Thursday, May 30.

Camp and Clinic Withdrawal/Refund Policy:

Requests for refunds of camp or clinic payments will be treated as follows:

- Prior to the start date of any camp or clinic, a player withdrawal due to a certified medical reason will result in a refund. LSC will retain \$25 of the payment for administrative costs. A written statement from a non-parent medical professional must be provided.
- 8 or more days prior to the start date of any camp or clinic, a player withdrawal for any reason (excluding a medical reason) will result in a 50% refund.
- 7 or fewer days prior to the start of any camp or clinic, a player withdrawal (excluding a medical reason) will result in no refund.
- After the start date of any camp or clinic, a player withdrawal for any reason will result in no refund.

Contact Us: Feel free to contact us via phone or email if you have any questions. Our office is generally open every weekday from 8:00 am to 6:00 pm, unless we are out on the fields.

Thank you!
